

Las Dunas Condominiums Naples, Florida

August 24, 2007

Dear Elias Brothers,

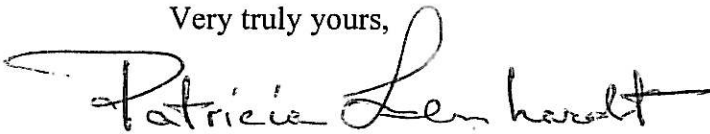

We are so delighted with the way Las Dunas looks following your completion of the painting and waterproofing project. The place is beautiful and looks virtually brand new.

We also compliment you for your professional manner, kind and courteous workers, and living up to your word in all aspects of the job.

We could not be more satisfied, and we heartily recommend you.

Thank you.

Very truly yours,
