Mr. Roni Elias, President  
Elias Brothers Painting and Waterproofing, Inc.  
4206 Enterprise Ave. #A-7  
Naples, FL 34104

On behalf of the Board of Directors and residents of the Waterford Community Association of Lexington CC, I want to commend you on the professional manner in which the painting of our community was accomplished. This was one of the largest community projects undertaken at Lexington, and it was completed within schedule due to your excellent planning and communications. The project was undertaken at a particularly busy period within the community with little inconvenience to our residents. Your employees were professional and friendly.

We have received many compliments on the project, and look forward to working with your firm in the future.

Yours truly,

Charles F. Wyrich, President  
Board of Directors  
Waterford Community Association
